

2013 Fire Season FSSI Contract Highlights

Will allow agencies to use the FSSI BPA for office supply purchases.
Break room and janitorial supplies are included.

Missoula's Office City has over 15 years of Fire Contracting experience.

Next day delivery of 20,000 FSSI items to most locations in the Western United States.
Please ask for a delivery schedule to your exact location.
Some locations will receive 6 day per week coverage.
Missoula's Office City will convert NFES numbers to FSSI numbers upon request.
GSA Smart Cards will be accepted.

Purchases will be reported back to GSA from Missoula's Office City / Shelby's Distribution.
Reports will be provided upon demobilization of the fire.

Missoula's Office City / Shelby's Distribution

Shelby's Distribution is a Service Disabled Veteran Owned Small Business. Julian Grubbs, president, is a U.S. Army Retired Veteran, with the designation of Service Disabled Veteran Owned Small Business. As a holder of one of 15 BPA awards, he is committed to combine great service and value. Shelby's Distribution has teamed with a select group of "participating dealers", approved by GSA to assure nationwide local representation. Based in El Paso, Texas, Shelby's team of experienced government sales representatives are professional and well informed office product experts.
